HOW IT WORKS

Choose Your Plan

Pick your level of cover – The Freeblade, Twin Piston or Iron Legacy. Every option includes grocery coupons, legal advice and nationwide repatriation. No medicals. No brokers. Just solid funeral cover that's built for the Brotherhood.

Pay Your Premium

Premiums start from just R140 a month. Every time you pay your premium, you unlock grocery coupons that hit back against rising living costs. Real savings that can even outweigh your premium, so protecting your family doesn't cost you, it pays you.

Ride with Confidence

No matter where life takes you, your cover rides with you. From funeral cover that eases the burden when tragedy strikes, to legal cover that's there when life gets complicated, and repatriation that ensures you always make it home.

WHY ITS DIFFERENT

Get More Than You Pay For

Every premium unlocks instant grocery savings with digital coupons for everyday essentials at Checkers. You save more than your cover costs.
